

Block 2

Feedback Evaluation

Thank you for completing the initial COLREGS assessment. You should have now received a personalized feedback report based on your responses. This short follow-up survey asks you to evaluate the feedback you received. Your responses will help us better understand which methods of feedback delivery are most effective for maritime training.

Instructions

- Review your personalized feedback report (sent to your email).
- Answer a few questions about the quality, clarity, and usefulness of the feedback.

Estimated Time to Complete: 5–7 minutes

Your participation is voluntary, and all responses will be kept strictly confidential. No personally identifying

information will be included in any reporting.

Block 1

Feedback Assessment

Please evaluate the feedback provided above on the following dimensions, using a scale from **Very Low** to **Very High**:

1. **Correctness**

Does the feedback accurately reflect your pre-assessment responses and highlight relevant weaknesses or knowledge gaps?

2. **Sufficiency**

Is the feedback detailed and complete enough to support your understanding and improvement?

3. **Usefulness**

Was the feedback practically helpful and applicable to your learning or improvement?

4. **Clarity**

Is the feedback easy to read and understand, with clear language and structure?

5. **Adaptiveness**

Does the feedback appear tailored to your specific responses, context, or needs?

6. **Motivational Impact**

Did the feedback encourage or motivate you to improve your knowledge or performance?

Thank you for sharing your perspectives. Your input will help us continue to improve the quality of our feedback.
